11 E.K. WADE,

No. C 07-80273 CRB

12 Plaintiff,

ORDER

13 v.

14 ROBERT DOUGLAS, ET AL.,

15 Defendant.
16 _____/

17 Plaintiff E.K. Wade has filed over twenty-four lawsuits in this Court, many of which
18 pertain to treatment, prescriptions, or benefits received (or not received) at the Veterans
19 Affairs Northern California Health Care System. On December 14, 2006, the Court entered a
20 pre-filing order against Wade, requiring that Wade seek leave “before filing any additional
21 complaints against the Veterans Affairs Northern California Health Care System, any of its
22 employees, or against the United States or any other government official in connection with
23 his disputes with the VA system.” Order, Wade v. United States, et al., 06-2346. Wade
24 violated the Court’s order by filing a complaint in this case against VA employees on
25 December 4, 2007, without seeking leave to file. Accordingly, Wade’s complaint is
26 DISMISSED WITHOUT PREJUDICE.

27 ///

Before refiling his complaint, Wade must seek leave to file and submit a declaration demonstrating why good cause supports granting leave to file.

IT IS SO ORDERED.

Dated: January 28, 2008
